Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

3. Claims 1-9 are rejected under 35 U.S.C. § 102(e) as being anticipated by

Mastronardi et al [Mastronardi 6,578,051 B1].

4. As per claim 1, Mastronardi discloses a music distribution method for downloading, in response to a request from a user, music data for one more musical pieces (i.e.: songs) included in the latest hit charts (i.e.: an album) from a server storing lot of music data, comprising the steps of:

determining whether music data to be downloaded from said server are already stored in a terminal said user [Mastronardi, determine if the information in database needs to be updated, col 7 line 42-col 8 line 30; col 24 lines 22-37];

Art Unit: 2142

and downloading, from said server to said terminal, only music data that are not stored in said terminal [Mastronardi, downloaded any new songs, col 8 lines 30-46; col 11 lines 1-31; col 21 line 60-col 22 line 14].

5. As per claim 2, Mastronardi discloses the music data to be downloaded are those which are ranked at the first to predetermined places on said latest hit charts and not stored in said terminal [the updated information in database including identifies each song, col 10 lines 29-42; the of album name, the main artist and the disk publisher, col 12 lines 20-33; song name, col 12 lines 41-58].

6. As per claim 3, Mastronardi discloses downloading latest charts list including places, titles and singer names said terminal from said server [downloaded any new songs, col 8 lines 30-46; col 11 lines 1-31; col 21 line 60-col 22 line 14]; and updating a hit charts list of the user stored in said terminal based on said latest hit charts list [determine if the information in database needs to be updated, col 7 line 42-col 8 line 30; col 24 lines 22-37].

7. As per claim 4 Mastronardi discloses deleting music data that stored in said terminal and are not included in said latest charts [deletion of an album, col 15 lines 3-8; delete information in the database, col 19 lines 16-26; deletion of a table in master catalogue, col 22 lines 14-34; the program was deleted from the jukebox, col 23 lines 7-16].

Art Unit: 2142

8. As per claim 5 Mastronardi discloses said step of determining whether music data to be downloaded from said server are already stored in a terminal of said user includes the step of comparing the titles musical pieces on said latest hit charts list with those said hit charts list held in said user terminal [the filters, col 2 lines 54-64. It was obvious the filter contains a condition to compare data].

9. As per claim 6 Mastronardi discloses said step determining whether music data to be downloaded from said server are already stored terminal of said user includes the step of transmitting said charts of said user to said server, which then performs said step of comparing the titles of musical pieces on said latest hit charts list with those on said hit charts list held in said user terminal [the filters, col 2 lines 54-64].

10. As per claim 7, Mastronardi discloses said terminal is a personal computer [Mastronardi, a computer with a link to the server, col 1 lines 13-27].

11. As per claim 8, Mastronardi discloses said terminal a portable terminal having a music playback function (i.e.: a jukebox or computing device with the management of computer files or operating parameter), one or more downloading terminals are connected to said server via a network and said determining step and said downloading step are performed by connecting said downloading terminal said portable terminal or a storage medium to be loaded said portable terminal [a computer link to the host server to download new songs, col 1 lines 12-28].

Art Unit: 2142

12. As per claim 9, Mastronardi discloses downloading a latest hit charts list including places, titles and singer names to said downloading terminals from said server [identifies each song, col 10 lines 29-42; a promoter, col 11 lines 32-64; the of album name, the main artist and the disk publisher, col 12 lines 20-33; song name, col 12 lines 41-58]; and updating hit charts list of the user stored in said portable terminal or said storage medium based on said latest hit charts list [update by downloading of new songs, col 11 lines 1-31].

13. Claims 10-19 contain the similar limitations set forth of claims 1-9. Therefore, claims 10-19 are rejected for the similar rationale set forth in claims 1-9.
